AMP[↑]™ Activator

Blend of proteins and surfactants
Easily mixes with algaecides and herbicides for improved treatment
Accelerates pesticide activity

PRINCIPAL FUNCTIONING AGENTS:

Yeast Protein Extract.....	55.0%
Alcohol Ethoxylate	22.5%
Sodium Laurel Ether Sulfate.....	7.5%
CONSTITUENTS INEFFECTIVE	
AS SPRAY ADJUVANTS	15.0%
Total.....	100.0%

KEEP OUT OF REACH OF CHILDREN
DANGER

Read all Precautionary Statements and First Aid on label before use.

FIRST AID	
IF IN EYES:	<ul style="list-style-type: none"> • Immediately flush eyes with plenty of water for at least 15 minutes. • Seek medical attention if irritation develops.
IF ON SKIN:	<ul style="list-style-type: none"> • Immediately flush skin with plenty of water for 15 minutes. • If clothing comes in contact with the product, the clothing should be removed immediately and laundered before re-use. • Seek medical attention if irritation develops.
IF SWALLOWED	<ul style="list-style-type: none"> • Immediately drink water to dilute. Seek medical attention if symptoms develop. • DO NOT induce vomiting unless told to do so by a physician. • Never give anything by mouth to an unconscious person.
IF INHALED:	<ul style="list-style-type: none"> • Remove individual to fresh air. • Seek medical attention if breathing becomes difficult or if respiratory irritation develops.
<p>Have the product container or label with you when calling a poison control center or doctor or going for treatment. IN CASE OF EMERGENCY CALL INFOTRAC at 1-800-535-5053.</p>	

PRECAUTIONARY STATEMENTS

DANGER. Causes serious eye damage May be harmful if swallowed. Skin irritant.

PERSONAL PROTECTIVE EQUIPMENT:

Wear protective eye/face protection when handling or applying this product.

GENERAL INFORMATION: For use in lakes, reservoirs, ponds and irrigation systems. This product is a concentrated blend of proteins and surfactants designed to enhance the efficacy of aquatic pesticides.

DIRECTIONS FOR USE:

1. Determine amount of product required.

*Find Acre-feet = length x width x depth / 43,560.
Multiply Acre-feet by product required based on table.*

Plant-Algae Density	Amount of this product required (Gal./Acre-ft)
Low-Early Season Growth	0.25
Medium-Mid Season Growth	0.5
High-Late Season Growth	1

2. Apply by tank mixing or sequential treatments.

Tank Mixing Directions

When using with products that contain pre-mixed adjuvants, conduct a jar test to confirm tank mix compatibility or apply in sequential treatments. If used with oxidizers, sequential treatments is required.

Tank Mixing Directions

Make a solution with pesticide, water and this product.
Disperse evenly with clean sprayer or other appropriate method.

Sequential Treatment Directions

Disperse this product evenly with clean sprayer or other appropriate method.
Within 4 days, treat with appropriate pesticide for optimal treatments results.

Note: When making a solution with this product, use the solution the same day. Failure to disperse product evenly or exceeding application rate may cause fish mortality. Read and follow the entire label of each product to be used in the tank mix with this product. Always follow the most restrictive label restrictions and precautions for all products used when making tank mix solutions.

STORAGE & DISPOSAL:

Keep this product dry in its tightly closed container when not in use. Store in a cool, dry, well-ventilated area. Keep from freezing. Use within 24 months. Do not reuse empty container. Rinse empty container thoroughly with water, then offer for recycling, or dispose in accordance with state and local regulations. In case of spill, wash down with water and flush into sewer system.

Warranty Disclaimer: SePRO Corporation warrants that this product conforms to the chemical description on the product label. Testing and research have also determined that this product is reasonably fit for the uses described on the product label. To the extent consistent with applicable law, SePRO Corporation makes no other express or implied warranty of fitness or merchantability nor any other express or implied warranty and any such warranties are expressly disclaimed.

Misuse: Federal law prohibits the use of this product in a manner inconsistent with its label directions. To the extent consistent with applicable law, the buyer assumes responsibility for any adverse consequences if this product is not used according to its label directions. In no case shall SePRO Corporation be liable for any losses or damages resulting from the use, handling or application of this product in a manner inconsistent with its label.
