Concentrated blue dye

Blue Springs® Plus Lake and Pond Colorant is a concentrated dye which beautifies cloudy water with a pleasing blue color. Enhance the color of pond water without restricting water for pets, swimming, fishing or irrigation - only need to wait until the dye disperses.

Advantages

- Tints water a pleasing blue
- More concentrated than Blue Springs® Lake and Pond Colorant
- Easy to apply - just pour around the edges
- Disperses quickly and evenly within hours

Application

Determine water volume then apply by pouring the colorant solution around the edges of desired area

Restrictions & Regulatory Information

Not for (direct) use in drinking water. Allow several hours for this product to disperse before swimming, irrigation, or fishing. Do not apply this product directly to drinking water sources.

Specifications
