

SeClear

Algaecide and Water Quality Enhancer®

“The Broom”

Controls algae and sweeps away the nutrients!

- Only EPA-approved Algaecide and Water Quality Enhancer
- Removes phosphorus with each application
- The result... 30% fewer seasonal applications

General Use Guide*

Apply 5 gals / acre every 2 - 4 weeks

*Visit with a SePRO Technical Specialist for information, rates assume < 5 foot average depth.

Application Tips:

1. Apply “neat” or dilute in water to increase coverage
2. Switch to Captain XTR if tough algae shows up, then go back to SeClear maintenance

Certified for drinking water
