

Legacy®
Turf Plant Growth Regulator

Cutless® MEC
Turf Plant Growth Regulator

Save time, reduce labor
and enhance sports turf quality.

50%

**REDUCTION IN
MOWING TIME**

3+

**WEEKS OF
GROWTH
CONTROL**

- **Labor Savings:** Reduce mowing and clippings by up to 50%.
- **Consistent Growth Regulation:** Provides control for up to 3+ weeks.
- **Efficiency:** Minimize time and effort while keeping turf in top condition.
- **Enhanced Turf Quality:** Uniform growth regulation, improved density, and reduced "rebound" growth.
- **Tank-Mix Friendly:** Compatible with fungicides and fertilizers for streamlined applications.
